

Great Sierra River Cleanup

Tuolumne-Don Pedro

For many years, careless visitors have dumped all kinds of refuse including old vehicles, appliances and furniture off the side of the canyon into the Wards Ferry Bridge area of the lower Tuolumne River. Some of this debris has recently been exposed after years of coverage by sediment and water. We'd like your help to remove this unsightly debris and trash from the Tuolumne River Canyon! Lunch will be provided following the work day.

Due to the steep slopes, heat, uneven terrain and potential for heavier lifting, this clean up may not be accessible for all. If you are interested in participating in a later cleanup, please let us know.

Where: Wards Ferry Bridge

When: August 13th, 2016

Sign in at 8:00am, work begins at 8:30am

An RSVP is required to participate!
